He was 65 years old and had been a great German military leader when called upon to take up the throne of Bavaria. He lived a simple life and was greatly loved by his subjects. His royal income, which he might have diverted to his own use, he devoted to paying the national debts. His son, Prince Louis, will succeed him.

Rockford, Dec. 11—Special—The jury in the case of People vs. Fred Wheeler, charged with having poisoned his wife so that he might get her insurance money and at the same time be free to live with Mrs. Annette Rostron, a pretty widow with whom he is said to have been infatuated, late yesterday afternoon, after being out nearly 24 hours, returned a verdict finding him guilty and fixing his punishment at 25 years in the penitentiary.

## CONCERT AT ELKS CLUB THIS EVENING

ANITAS SINGING AND PLAYING ORCHESTRA WILL BE ATTRACTION.

The Elks, their families and ladies will be entertained at the club this evening by the Anitas Singing and Playing orchestra, announced as the best number of the course to be given this season. The ladies of the orchestra come to Dixon very highly recommended, and doubtless their program this evening will be listened to by a large audience.

## JUDGE MARTIN MARVIN OF FREEPORT IS DEAD

FRIEND OF GRANT DIES AT AGE OF NINETY-TWO—NOTED IN THIS STATE.

The deceased was nearly 92 years of age and death was caused by infirmities of the aged. He was an intimate friend of Gen. U. S. Grant and other notables; county judge of Stephenson county in 1861, and city attorney here from 1897 to 1895.

## EVENING INSTITUTE WAS OF INTEREST

CLOSING SESSION OF FARMERS' INSTITUTE HERE WELL ATTENDED.

Despite the cold of last evening a large attendance marked the closing session of the Farmers' Institute at the People's church and those who attended were amply repaid in the excellent address by Mrs. P. H. McMurray, who told her experiences in 'Managing John.' Pleasing music was furnished by Mrs. Lee Read and Walter Stott and Frank Salisbury. Today a similar institute, which is also being well attended, is being held in Amboy. The program is practically the same as that which was given in Dixon.

## TOMORROW IS A "HOODOO" DAY

FRIDAY THE THIRTEENTH WILL HAVE ITS TERRORS FOR MANY.

Tomorrow will be the last 'hoodoo day' of 1912. For but twice during the year that is closing, has the 13th fallen on Friday, the first occasion being in September. There will be but one Friday the 13th in 1913, falling in June. Another coincidence is that the 23rd fell on Friday twice during this year, in February and August, and that it will also occur but once in the coming twelve-month May being the month to draw the 'hoodoo' day. Today is the freak day on which the date is 12-12-12.

## KELLY'S TEAM IS CLIMBING UP SOME

K. C. PLAYERS UNDER CAPTAIN KELLY CUT REYNOLDS' LEAD TO 50.

Paul Reilly... 18 H. McIntyre... 25  
Henry Briscoe... 19 Wm. Penrose... 25

## AMBOY MEN WERE CLOSE TO DEATH

JUDD HALEY AND COMPANION ESCAPE WHEN TRAIN KILLS THEIR HORSE.

Amboy, Dec. 12—Special—Judd Haley and two companions, driving in a buggy, had a narrow escape from death last night when a train hit the rig they were in, killing the horse and smashing the buggy. They were all thrown out and slightly bruised, but none of them are seriously injured. A C. B. & Q. train wrought the damage.

## MURDER CONFESSED

Montreal, Dec. 12—Special—Carl Baptista, condemned murderer, confessed today to the assassination of Joseph Petrosini, the famous New York detective who was slain in Palermo, Italy, three years ago. He named several others.

## THERMOMETER WAS CLOSE TO ZERO

ENCLOSED INSTRUMENT REGISTERED BUT TWO ABOVE THIS MORNING.

The mercury established its low mark thus far this winter at 8 a. m. today, when the government thermometer registered 2 degrees above zero, that mark being the lowest it reached during the past 24 hours. It was noticeable during the night that the temperature continued to grow colder, but it is considered remarkable that the lowest mark should be reached at so late an hour this morning.

It is probable that many thermometers in low or unprotected places registered zero or below, as the government thermometer is protected from all wind and registers only the exact temperature of the still air.

## AGED WOMAN DIED WEDNESDAY NIGHT

MRS. KATHERINE ALLEN SUFFERED FROM PNEUMONIA—FUNERAL TOMORROW A. M.

Mrs. Katherine Allen died at the home of her son, James Allen, 721 Highland avenue, at 5 p. m. yesterday, from pneumonia and the infirmities of old age. Had she lived until Dec. 29th she would have been 86 years old. She is survived by four children: Joseph and James, Dixon; Mrs. LaShense of Chicago and Mrs. Mueller of Mendota. The funeral services will be held at the home of James Allen tomorrow at 9 a. m. and at St. Patrick's church at 9:14, and the remains will be taken to Mendota on the southbound passenger, burial to be at the Catholic cemetery in that city. Mrs. Allen was a lovable woman and many friends will tender sincere condolence to the bereaved children.

## Man Slain Near Springfield.

Springfield, Dec. 12—John Shaw, night policeman, was shot three times and killed instantly when called to quell a riot among some Italian miners about one-half mile west of town. A posse was hurriedly formed and surrounded the house and Sheriff Elmo Etter of Carlinville has been summoned. City Marshal Marion Cain was notified that a disturbance had been started at the place and in company with Shaw started to investigate. As Shaw opened the door to enter the house he immediately was fired upon. He fell dead on the doorstep.

## Court Bars Dad as Spender.

Springfield, Dec. 12—On the application of George Bronaugh, a son, a jury in the probate court found that Perry S. Bronaugh, a resident of Auburn, was in need of a conservator to handle his estate, which is valued at \$20,000. In the petition it was charged that Bronaugh was dissipating his fortune by speculating on the board of trade. The action taken by the son was resisted by the father, who testified in his own behalf and told of his various business transactions. Judge Jenkins will name a conservator within a few days.

## King Murder Trial Starts.

Shelbyville, Dec. 12—John King, alleged to have beaten his mother-in-law, Elizabeth Bell, November 3, 1910, to such an extent that she died twelve days later, is on trial for murder in the circuit court. King is accused of beating the woman, who was eighty-four years old, while in a drunken frenzy. The defense asserts the injuries which caused the woman's death were suffered when she fell downstairs, as she frequently did, and that she was a confirmed inebriate and "dope" fiend.

## 75,000 Miners Cast Votes.

Springfield, Dec. 12—Members of the Illinois division of the United Mine Workers of America balloted for officers of this division. It is estimated that 75,000 men in this state cast their votes for president, vice-president, secretary, treasurer and that of international board members. The result of the election will not be officially announced until the state convention meets in Peoria in February, 1913.

## LICENSE DTO WED

A marriage license was issued today to John L. Thorpe and Miss Frances B. Walker, both of Steward.

## MILLER MAY BE BENCHED BY EVERS

DIXON PLAYER ON CUB TEAM MAY LOSE REGULAR OUT-FIELD STATION.

## TINKER WILL MANAGE REDS

Trade by Evers Changes Lineup of Next Year's Teams Considerably—Frank Chance May Manage New York.

If Johnnie Evers, the new manager of the Chicago Cubs, is sincere in his declaration made in the Chicago papers this morning, Ward Miller of this city, will be on the bench next season, for Evers announces his outfield as Sheppard, Mitchell and Schulte. Mitchell was secured in a big deal which was consummated yesterday, whereby Joe Tinker, Loudermilk and Chapman go to Cincinnati in exchange for Mitchell, Corriden Knisely, Humphries and Phelan. Tinker is to manage the Reds, and the deal paves the way for Frank Chance, deposited leader of the Chicago Nationals, to become manager of the New York American leaguers. It now seems more than probable that Mr. Chance will be opposed to McGraw in the metropolis.

Ward's many friends, however, doubt Evers' intention of keeping the Dixon boy out of the center garden, as his record with the Cubs last season was great. He hit well, ran bases like a rabbit and demonstrated that he can cover ground with any of them. Why Evers should put Mitchell, an older and slower player, in the outfield to displace Miller is inexplicable.

## TRAGIC STRIKE BATTLE

Two Policemen Are Killed, Eight Severely Hurt.

Two Hundred Italian Coal Handlers Armed With Shotguns, Charge Force of Special Officers.

New York, Dec. 12—Two hundred striking Italian coal handlers of the Susquehanna railroad, armed with revolvers, shotguns and rifles, charged a force of Erie railroad special police at Shadyside, near Edgewater, N. J., killing two of the police and wounding eight others, two or three of whom may die. The police, armed with long batons, broke and ran as the strikers, who had been lying in wait on the top of the Palisades, came tearing down the hillside firing as they ran. So deadly was the fire that one of the wounded men was shot in 23 places, all the wounds being below the thighs. The two men killed, in addition to the many wounds about the body, had their faces and hands nearly torn off by the rain of shot.

The battle occurred while two barge loads of strike-breakers were about to be landed at the Susquehanna coal docks.

## Robbers Get More Than \$4,000.

Goldfield, Ia., Dec. 12—Robbers blew the safe of the Citizen's State bank here and obtained between \$4,000 and \$5,000 in cash. They then stole a team and escaped. The robbery was not discovered until 7 a. m.

Hawes of Rock Island saying that the rate question is settled for the time being, as it has been appealed from the circuit court to the supreme court, and will not be settled until 1914. Any new member will be taken in under the old rates, adoption fee being \$2 instead of \$5, as formerly. Any member who has changed to the new rate can change back without further cost, and any member not suspended over six months can be reinstated between now and the first of January by paying the assessment for December.

## FARMERS MEET IN AMBOY TODAY

VERY INTERESTING PROGRAM IS BEING HELD IN THAT CITY.

Amboy, Dec. 12—Special—The Lee county Farmers' Institute is in session here this afternoon. The program is the same as was held in Dixon Wednesday. The crowd is rather disappointing to those who worked so hard to make the affair a success as only about 30 are in the hall this afternoon.

The institute is being held in the opera house and the domestic science school in the Congregational church. There will be a program this evening containing many features of educational value.

## KILLS WOMAN AND SELF

The little one is the only sister of five boys. Bill's many friends here extend congratulations.

## PLUMBERS HAD A VERY GLOSE CALL

ROBBIE NELSON AND HELPER WERE NEARLY OVERCOME BY GAS FUMES.

Bobbie Nelson, the plumber, of this city and his helper, Rudie Fincke were slightly overcome by gas last evening while working near Rochelle and were in a very serious condition for several hours.

The men were installing an individual electric lighting plant of the storage battery variety in the Chas. Cooper place, about two miles north of Rochelle yesterday. Toward evening, when the work was about completed and the sulphuric acid had been poured into the receptacles intended for it, the helper, Mr. Fincke, complained of a terrible headache, and left the cellar to go upstairs and lie down; he seemed to be quite ill. Mr. Nelson had the room in which he was working tightly enclosed to keep out the cold, and as he finished up his work he found that he, too, was growing very dizzy and faint and his head, he said, seemed about to split open. He rushed to the windows and tried to open several of them but couldn't. He realized that he was being overcome by the sulphuric acid gas that filled the room, and his condition was growing very serious and had not someone discovered his plight and opened the door for him the result might have been death. He ran out through the open door, however, and obtained temporary relief in the fresh air.

Both of the plumbers were taken to town and sent home to Dixon on the Sterling passenger and were met in Dixon by a physician who took them home and fixed them up so that they are alright today, though a trifle weak.

## PEW FAMILY WAS WELL REPRESENTED

PASTOR OF BAPTIST CHURCH REMARKS UPON FAITHFUL ATTENDANCE OF ONE FAMILY.

There were about 300 of the Pew family present at the Baptist church last Sunday evening. The remaining 50 seats were taken by members of various other families who happened in. The Pews are faithful attendants upon all the church services and excellent auditors. However, they are very courteous and indicate their willingness to yield their places to as many others as desire to attend the Sunday evening service. They are perfectly willing to be conspicuous for their absence if there are enough other people to occupy their places.

## WANT REPORTS ON LIGHTS

I. N. U. WANTS HELP FROM RESIDENTS—WANT TO KEEP LIGHTS BURNING.

The management of the electric light department of the I. N. U. has requested the residents of the city to report to the office any outage of street lamps they may see. The company has no way of ascertaining when the lights are not burning except through the information given them by the public, and thus a little assistance on the part of the people will keep all of the street lights burning.

## COLD WAVE HE SOME ONE ANYWAY

PLUMBERS AND COAL MEN ARE PROFITING BY EXTREME COLD WEATHER.

Last night's cold wave was a boon for the plumbers and coal men. The plumbers report that many freeze-ups have been reported today, while the coal men have been kept busy replenishing the diminished supplies of fuel.

Inez Palmer goes to Chicago tomorrow to spend a week visiting and on business.

R. E. Trostle of Franklin was here yesterday.

## LEE CENTER BUILDING CONTRACT NOT LET

ODD FELLOWS WERE NOT SATISFIED WITH THE BIDS RECEIVED.

## WILL HAVE FINE QUARTERS

Plans Complete and Provide for Comfortable and Beautiful Lodge Rooms and Building.

The contract for the erection of the new Odd Fellows building at Lee Center was not awarded this week, the four bids which were submitted to the building committee, of which E. L. King is chairman, being unsatisfactory. Consequently they were rejected by the committee and the job was readvertised. The new bids will be opened in about two weeks.

The building promises to be a great credit to the recently organized lodge at Lee Center and to the village also. The plans and specifications are by Architect M. H. Vail of this city. It will be 34 feet wide and 64 feet deep, and will be constructed of pressed brick on a stone foundation. The first floor will be occupied entirely by a store, while on the second floor, reached by stairs at the side of the structure, will be lodge and ante rooms. In the basement, which will be connected with the lodge rooms by a private stairway, will be a large banquet room and kitchen, also the heating plant. In the attic, a semi-story, reading and club rooms will be provided.

### Enjoyed Dinner.

The members of Mrs. M. W. Rowe's Bible class of the M. E. church, to the number of sixteen, enjoyed a trip yesterday to the home of Mrs. Wilbur Purcell, where they enjoyed a delicious chicken pie dinner. The table fairly groaned, so laden was it with good things to eat. In the afternoon a social time was enjoyed and Mrs. Ross furnished some excellent instrumental music.

### Week End Party.

Everett Dutcher was the guest of Lee Donohue of Chicago at a week end party last week.

### At Dinner.

Miss Marian Aarens entertained at Sunday dinner Misses Josephine Lelvan, Josephine Ives and Violet Flo-to.

### For Miss Smith.

Miss Bess McBride delightfully entertained the members of the Umatilla club last evening in honor of Miss Gene Smith, who is soon to be married. The entertainment assumed the form of a miscellaneous shower. A delicious luncheon was served, the table decorations being in red and white. The house decorations were red and white bells and bitter sweet. An artistic centerpiece decorated the table. The guest of honor was presented with a beautiful basket decorated with cupids and hearts containing the gifts of her friends. The gifts were varied and gave much pleasure to donors and recipient. A large cake contained rings, a thimble and a doll, this also giving rise to much merriment. This proved to be one of the most delightful of the many functions being given for the brides-elect of the winter season.

### Party a Success.

The leap year dance given last evening by the young ladies of the Illinois Northern Utilities company at Rosbrook hall was one of the best of this season's offerings in dances. The hall was decorated by Mr. Waterman in the red and white of the Christmas season and presented a very effective background for the bevy of happy dancers. Over eighty couples were present and the young ladies left no stone unturned to give their partners a good time, as the absence of masculine wall-flowers showed. The Marquette orchestra furnished excellent music and those who were present are hoping the young ladies will give another dance before the end of the leap year. The dance was under the management of Misses Bess Blackburn, Ada Lohr and Della Strong.

### Entertained.

Mr. and Mrs. J. H. Loftus entertained a few friends last evening at their home.

### Phidians Entertained.

Mr. and Mrs. O. B. Dodge again opened their large and pleasant home Tuesday evening for the entertainment of the members of the Phidian Art club and their guests.

The special item for the evening was the address by Dr. R. M. Crissman on 'London.' But before the address Mr. Dodge gave some fine selections on the Victrola, among them being the prelude to the third act of Lohengrin, by Wagner, played by the La Scala orchestra of Milan, Italy; 'The Banks and Braces o' Bonnie Doon,' sung by Melba; 'The Neapolitan Folk Song,' sung by Gorgozza; 'Shepherds' Dance,' Charles D'Allemain; 'Waltz Melodie,' sung by Sembrich; 'The Waltz Margorvia,' as played by the United States Marine band at St. Louis, and then the Prologue of Pagliacchi was enjoyed.

Dr. Crissman then gave a most excellent address on London. He spoke of England as being a garden spot, unlike all other cities with its over 7,000,000 people and being over 2000 years old. A cosmopolitan city, with more Irish than in all Ireland, more Jews than in all Palestine, and so on. The courtesy and politeness of the people are very noticeable; the great thinkers of the world with their great, intelligent minds, have lived here. It has been the haven of the great men of letters. Then he talked of the underground tubes, or railways; the Bank of England, the gran its strong box covering eight acres, the converging center of the world being at Charing Cross; the enormous size of St. Paul's; the Tower of London, 800 years old and covering 26 acres; the British museum; Trafalgar Square; Hyde Park and Kensington Park; the Albert Memorial; the Houses of Parliament, covering eight acres, and the great politicians who have spoken here many times—John Bright, Disraeli, Gladstone; of the postoffice, covering 21 acres and employing 20,000 men; of Buckingham Palace; the old Curiosity Shop; the National Gallery and last, of Westminster Abbey, the temple of fame and the national mausoleum.

At the close of the address Mr. Dodge again gave several enjoyable selections on the Victrola, especially beautiful being 'The Song of Autumn,' played by the Bohemian orchestra of London; 'My Mortal Lyre' sung by Madame Re'ache; 'The Barcarole,' from the Tales of Hoffman; 'Aria,' from Aida sung by Caruso, and 'Roaming in the Gloaming,' by Harry Lauder, and 'Humoresque,' played by Michal Elman.

Truly a pleasant evening and appreciated as such by all privileged to be present.

### Dancing School.

Tomorrow evening at the dancing school in Rosbrook hall Mrs. Collins will teach the new dances the first part of the evening. After 9:15 the informal will be held and 50 cents a couple is to be charged for the informals hereafter. Attendance is increasing all the time and the sessions are much enjoyed. Three pieces from the Marquette orchestra will furnish the music.

The young lady is the daughter of Joseph Walker of Steward and the groom is a deputy sheriff of Lee county. He is the son of Mrs. E. L. Thorpe of Steward.

The bride and groom left for Chicago on a short wedding trip. In the spring they will go to Arkansas, Kas, to make their home. The many friends of the couple offer hearty congratulations.

### Busy Bees.

The next meeting will be on Dec. 28th, at the home of Gladys Canaga. They left Dixon on the 2 o'clock car and returned on the 4 o'clock, after an afternoon of pleasant sociability. Miss Drew has been an invalid for several years. She was completely surprised and greatly pleased with the gift.

### Surprised Miss Drew.

Twenty-one friends of Miss Bertha Drew surprised her at her home at the Fred Drew place last Tuesday afternoon and presented the young lady with a beautiful gold watch and chain as a token of their love and esteem.

How to Have the Best Cough Syrup and Save \$2, by Making It at Home.

Cough medicines, as a rule, contain a large quantity of plain syrup. If you take one pint of granulated sugar, add 1/2 pint of warm water and stir about 2 minutes, you have as good syrup as money could buy.

If you will then put 2 1/2 ounces of Pinex (50 cents worth) in a pint bottle, and fill up with the Sugar Syrup, you have as much cough syrup as you could buy ready made for \$2.50. It keeps perfectly.

And you will find it the best cough syrup you ever used—even if whooping cough. You can feel it take hold—usually stops the most severe cough in 24 hours. It is just laxative enough, has a good tonic effect, and taste is pleasant. Take a teaspoonful every one, two or three hours.

It is a splendid remedy, too, for whooping cough, croup, hoarseness, asthma, chest pains, etc.

Pinex is the most valuable concentrated compound of Norway white pine extract, rich in guaiaicol and all the healing pine elements. No other preparation will work in this formula.

This recipe for making cough remedy with Pinex and Sugar Syrup is now used and prized in thousands of homes in the United States and Canada. The plan has often been imitated but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pine Co., Ft. Wayne, Ind.

When a black-skinned, thick-lipped, heart-headed African can walk into offices of the law and demand an out of the courts of his state guaranteeing him legal wedlock to a white man, I challenge any man to say that the result will be for good of this country. It is debasement, ultra-demoralizing and un-American.

No blacker incubus ever fixed it upon the social politics of this blic than the embryonic cancer of a marriage to white people that lately been in evidence. No more vicious parasite ever sucked at the vitals of pure society and moral status than the one which welcomes or recognizes everywhere the sacred ties of wedlock between African and Ameri-

**OF INTEREST TO WOMEN.**

Of all the arguments in favor of woman suffrage, the fact that the movement is world-wide is the strongest. Mrs. Chapman Catt's remarkable report of her tour of the world will show how the Chinese women helped in the revolution, how their Dares to Die clubs were transformed into suffrage societies because after a successful war they understood that the next step was to take their share in the improvement of peaceful government. The women of Portugal who were active in the campaign which resulted in the Portuguese republic, have formed a great organization in behalf of votes for women and their appeal has been approved by the legislature. The women of Persia, Turkey, India, Russia, South America, of every country in the world are commanding an extension of rights and the parliaments of the nations have begun to give the question their serious consideration.

**COL. ROOSEVELT  
DEPARTS FOR N.Y.**

After Restful Night Progressive Leader Leaves for Home Town.

**PERKINS WINS BIG TRIUMPH**

Succeeds in Having Party's National Headquarters Moved to Gotham—Miss Addams' Plan for General Organization is Adopted.

Chicago, Dec. 12.—Col. Theodore Roosevelt left Chicago this morning at 10:15 o'clock over the Lake Shore for New York. The colonel arose quite early and after a hearty breakfast spent the time until his train left in receiving visits from the various leaders of the Progressive cause who came to have a last word before his departure.

Colonel Roosevelt spent a comparatively quiet day yesterday. He attended the noonday luncheon given by Miss Jane Addams and made a brief talk, paying a high tribute to Miss Addams and giving his unqualified approval to woman's suffrage.

In the evening he attended a Hull house party and then got to bed at a reasonable hour.

**Perkins Wins Triumph.**  
George W. Perkins won a complete triumph over all opposition in the meeting of the Progressive national committee. He had the national headquarters removed to New York, put through his plan for branch bureaus and then announced that the next official business of the Progressive party would be a meeting of his executive committee at the Hotel Manhattan, in New York city, Wednesday, December 18.

The triumph of Mr. Perkins and the virtual turning over of the headquarters to him and his friends in New York were the really big political events of the closing day of the Bull Moose national conference.

Before these things transpired the Illinois Progressive members-elect of the general assembly held two meetings and decided to go into a nonpartisan alliance with the "progressive Democrats and Republicans" of the assembly in the election of a speaker and the organization of the senate. Although contrary to the orders issued to them by Colonel Roosevelt on Monday, they explained that he did not specifically forbid their combining with real "progressive Democrats" for the good of legislation.

**Adopt Miss Addams' Plan.**  
In addition to placing Mr. Perkins high in the councils of the Progressive party the national committee adopted Miss Addams' plan for a general organization of the forces and a publicity propaganda and decided to establish a legislative reference bureau for which a \$50,000 fund will be sought by popular subscription.

Chairman Dixon also was authorized to name a special committee of seven members to take a trip to Europe next summer and study the plan of campaign that has been perfected by the Socialists and the English Liberals. Medill McCormick will be chairman of the committee. Dr. Walter Weyl will be one of the members.

**Approves Women's Work.**  
In his talk at the Jane Addams luncheon Colonel Roosevelt expressed his unqualified approval of the work done by the women in the last campaign. He said that one of the great speeches of the campaign was Miss Addams' seconding speech of his nomination in the Coliseum last August. "That was a wonderful speech," added Colonel Roosevelt, "and millions of copies were circulated. Yet Miss Addams, the author, is not permitted to vote in this country."

Colonel Roosevelt said that the Progressive party probably would not accomplish all that it set out to do and promised, but that much of the program would be enacted into law.

**Says He Keeps Promises.**  
"So far as I am concerned," he added, "I have never made a promise I did not keep. You will find by reading my speeches that I never made a promise that I went back on."

"One thing I did not promise, and that was that I would reduce the high cost of living. What I said was that I would investigate the subject, but I at no time made the specific promise that I would reduce the cost of living."

"Progressivism does not mean violent revolution in all society," he declared. "Four-fifths of the reforms we want could be put into effect without disastrous results such as our reactionaries assert would follow."

## SITUATION IS ACUTE

## Diplomats Alarmed Over Austro-Servian Attitude.

Balkan Conference Postponed From Tomorrow to Monday—Thinks Peace Delegates Will Agree.

London, Dec. 12.—The Balkan situation is causing much genuine anxiety in diplomatic circles here, not so much on account of the remote possibility that Turkey and the allies will be unable to reach an agreement within the time allotted for the peace conference, but because Austria and Serbia are hourly getting further away from a basis for the settlement of their difficulties.

The first meeting of the Balkan conference, which was to have been held tomorrow, was postponed until Monday when a dispatch was received from the Turkish delegates stating that they would be unable to reach London before tomorrow night.

That the peace delegates will not be readily able to arrive at agreeable terms of settlement was indicated by Sir Edward Grey in the house of commons.

"It is difficult to say anything without causing undue pessimism," he said, "or raising hopes which might subsequently be disappointed. The relations between the governments of the powers are amicable, the diplomatic situation is favorable and the anxiety is lest some untoward or unforeseen incident occur."

He announced that the ambassadors of the great powers would meet in London simultaneously with the plenipotentiaries of Turkey and the Balkan states, and said he regarded the willingness of the powers to come to close quarters as a hopeful sign.

## BOMB WITNESS IN JAIL AS PERJURER

Quigley Taken After Calling Letter Referring to Plot a Forgery.

### EXPERT GIVES LIE TO HIM

Note, Read in Open Court, Mentions Conspiracy to Blow Up Nonunion Buildings in Detroit—M. J. Cunnane Goes on Stand.

Indianapolis, Ind., Dec. 12.—William H. Quigley of Detroit, business agent of the carpenters' union, was held to the grand jury on the charge of the United States district attorney that he had committed perjury as a witness at the dynamite conspiracy trial. He was taken into custody by a deputy United States marshal.

Quigley was charged with committing perjury in denying the authorship of a letter written in June, 1910, in reference to a proposed series of explosions in Detroit against nonunion jobs. Local officials of the carpenters', machinists' and iron workers' unions were charged with plotting to utilize the trades in Detroit by the use of nitroglycerin.

Calls Signature a Forgery. A handwriting expert said Quigley's signature to a letter "calling off" the explosion was genuine. Quigley testified the signature was a forgery.

"I ask that the witness, Quigley, be recognized by the court as held to the federal grand jury," said District Attorney Miller. "As it has been conclusively shown here that perjury has been committed, I ask that he be held without a hearing before a commissioner."

Quigley, presented before Federal Judge A. B. Anderson, said he was not in a position to give bond. He accordingly was taken to jail.

Text of "Bomb Plot" Letter. The letter which Quigley denies he wrote was as follows:

"Wayne County Carpenters' District Council, Detroit, Mich., 621.

"Bro. H. R. Cline: We have made a mistake in our man, and it is all off with the big show. He has got in radically wrong, and skipped, for he told me he would do so, but he would make good. I can't tell what he will do. He has got trimmed twice since Friday eve by the Iron men, so lay low for him now. I am giving you straight. Was flashing the century and drunk since you left up till last night.

"(Seal) W. H. QUIGLEY."

The caption and the word "seal," as well as the body of the letter, were in handwriting.
